SUMMARY

Frontend Developer with 1+ year of experience building production web apps using React.js and Next.js across EdTech, E-commerce, ERP, and HRMS platforms. Led multiple live projects as Project Lead. Currently expanding into backend development with Python, Django, MySQL, and GenAI. Open to frontend and full stack opportunities.

SKILLS

Languages: JavaScript, TypeScript, Python, HTML, CSS

Frameworks: React.js, Next.js, Django, Tailwind CSS, Bootstrap

Tools & DB: Git, GitHub, Jira, MySQL, SQL, VS Code

Soft Skills : Project Leadership, Team work, Adaptability, Problem Solving, Time Management

EXPERIENCE

DOCKCODE SOLUTION PRIVATE LIMITED - KINFRA PARK

KOZHIKODE, KERALA

Dec 2024 to Dec 2025

Frontend Developer

- Developed and maintained responsive frontend applications using React.js, Next.js, Tailwind CSS, and REST API integration across HRMS, EdTech, ERP, E-commerce, and CMS platforms.
- Led frontend development for multiple live projects, handling UI architecture, reusable component development, sprint coordination, and cross-team collaboration from initial development to deployment.
- Worked on production-level applications including HRMS, TeachingDock, Mingler Furniture E-commerce, Payload CMS platforms, and IPAS ERP.
- Implemented WhatsApp integration, UI enhancements, and folder/file upload issue fixes while improving application responsiveness and overall user experience.

EDUCATION

BVOC – SOFTWARE DEVELOPEMENT

Farook College Autonomous, Calicut University

KOZHIKODE, KERALA

June 2022 to Mar 2025

PROJECTS

Road Repair & Complaint Management System - [Github](#)

- Developed a full stack web application for citizens to submit and track road repair complaints in real time.
- Built Django backend APIs, SQL database integration, and responsive frontend interfaces for complaint management and status tracking.

FREE SCRIBE – AI Transcription Tool - [Github](#)

- Developed a real-time speech-to-text transcription and translation web application using Whisper AI.
- Designed a clean and responsive user interface focused on accessibility and multilingual communication.

Crumb Cookie Clone Website - [Github](#)

- Developed a responsive frontend clone of the Crumb Cookie website with modern UI components and smooth user interactions.

ADDITIONAL INFORMATION

- Project Lead for HRMS and TeachingDock, managing frontend development, sprint coordination, and feature delivery for live projects.
 - IQAC Volunteer at Farook College, supporting coordination and documentation during the NAAC accreditation visit.
 - Served as Class Representative, coordinating academic activities and student–faculty communication.
 - Coordinator for a Job Fair program conducted at KINFRA Park, assisting in event coordination and management.
 - **Languages Known:** English | Malayalam | Hindi
-
