EDUCATION

MCA

Indira Gandhi National Open University

07/2025 to 07/2027

PROJECTS

- **Find Your Travel Partner:** Django based web application for those who travel alone in their vehicle, they can find people who travel to the same place and can go with them, helping the users to cut their travel costs. Developed by Django framework, used HTML and CSS for the front end and MySQL for the database management.
- **Explore Koyikode:** Static webpage helpful to the visitors of Kozhikode, where they can find the major tourist and food spots across Kozhikode. Built using only HTML and CSS.
